Salem UCC Reflection & Meditation Garden

Salem UCC has created a quiet space on Church grounds, called the Reflection & Meditation Garden, where you are able to reflect and remember friends and loved ones. This new "Garden" will include an area for a few benches for quiet contemplation, plus space for engraved brick pavers that can be purchased and placed in the Garden to memorialize a deceased loved one, or to celebrate a birth, graduation, anniversary, or any other special occasion. At the foot of the Old Rugged Cross, there will be a special area that may be used by those who wish to spread the ashes of a loved one.

Each engraved brick paver is 4" x 8" x 2¼" in size and has space for three lines with a maximum of 20 characters (letters, punctuation and spaces) per line. The engravings will be made in ALL CAPITAL LETTERS. You may add a symbol or clip art to the brick for a small extra charge; **however, this will reduce the maximum space available for characters to 15 per line.** The color of the brick paver is light gray.

The various prices to purchase an engraved brick paver are noted below.

- One 4" x 8" x 2¼" brick engraved with your choice of one, two or three lines (a maximum of 20 characters per line; **however, if you are including any clip art or symbol, the maximum is reduced to 15 characters per line**) \$ 30.00
- One engraved brick with up to three lines, plus symbol or clip art \$ 40.00
- One engraved brick with up to three lines, plus ashes placement \$ 50.00
- One engraved brick with up to three lines, plus symbol or clip art, and ashes \$ 60.00

Other available sponsorships include: additional landscaping, flower urns, as well as a contributions to a general fund for the installation of a hard surface path.

Garden is a project that will be developed in various phases, as funds subsequently become available to complete the balance of the work. The First Phase of the Garden has been completed. Shown to the right is a photo of the completed area. The next phase will include the installation of a hard surface walking path, plus some landscaping.
